

Forward-Looking Statements

The information herein includes “forward-looking statements” within the meaning of the “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as “estimate,” “plan,” “project,” “forecast,” “intend,” “will,” “expect,” “anticipate,” “believe,” “seek,” “target” or other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of financial and performance metrics, projections of market opportunity and market share, expectations and timing related to commercial product launches, potential benefits of the transaction and expectations related to the terms and timing of the transaction. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of Semantix’s and Alpha Capital’s management and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of Semantix and Alpha Capital. These forward-looking statements are subject to a number of risks and uncertainties, including those factors discussed in Alpha Capital’s final prospectus that forms a part of Alpha Capital’s Registration Statement on Form S-1 (Reg No. 333-252596), filed with the SEC pursuant to Rule 424(b)(4) on February 18, 2021 (the “Prospectus”) under the heading “Risk Factors,” and other documents of Alpha Capital filed, or to be filed, with the Securities and Exchange Commission (“SEC”). If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither Alpha Capital nor Semantix presently know or that Alpha Capital nor Semantix currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Alpha Capital’s and Semantix’s expectations, plans or forecasts of future events and views as of the date of this press release. Alpha Capital and Semantix anticipate that subsequent events and developments will cause Alpha Capital’s or Semantix’s assessments to change. However, while Alpha Capital and Semantix may elect to update these forward-looking statements at some point in the future, Alpha Capital and Semantix specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing Alpha Capital’s or Semantix’s assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.
